

## Treasure Hunt Builder – [treasurehuntbuilder.com](http://treasurehuntbuilder.com)

### Cuenca, Ecuador (Adults)

The object of this Treasure Hunt is to solve all the clues and find the Treasure! The clues point to the following locations:

**A pedir de Boca**

**Cafe de Nucallacta**

**The Inca Lounge**

**Café San Sebas**

The person who controls the Treasure Hunt is called the Hunt Master.

Hunt Master:

Cut up the clues, keeping the first ones, and take them to the locations above. Talk to the owners about your Treasure Hunt and how it will bring new people into their location. Ask them to hand out clues to anyone who asks for one.

Decide on the treasure. Since the last location is Café San Sebas maybe you can get them to pitch in a 2 for 1 dinner or coffee. It's a good idea to have consolation prizes as well. Since everyone will be directed to the same location, make sure there are enough copies of the clue at that location for those who are not first to arrive.

Distribute the first clue by email or in person. Or you can have everyone meet somewhere and deliver the first clue in a decorated envelope or in a box with some promotional prizes. Tell everyone how to call you in case they can't solve a clue. You can give them hints or simply give them the location.

Clue 1

This place's name means pick the mouth

Or it's just fine if you're from the south

You might read your next clue while you dine

And don't forget to try the wine
