

## **Treasure Hunt Builder – [treasurehuntbuilder.com](http://treasurehuntbuilder.com)**

### **Boy's Birthday Picnic (Ages 6 to 8)**

The object of this Treasure Hunt is to solve all the clues and find the Treasure! The clues point to the following locations:

**Under the Picnic Table**

**Next to the Big Oak Tree**

**Under the Cooler**

**Under the Toy Bag**

The person who controls the Treasure Hunt is called the Hunt Master.

Hunt Master:

Cut up the clues, keeping the first ones, and leave them at the locations above. Decide on the treasure. This is something that can be hidden under the bag of toys. You can use a box or bag filled with candy, coins, and/or toys. It's a good idea to have consolation prizes as well. Since everyone will be directed to the same location, make sure there are enough copies of the clue at that location for those children/teams who are not first to arrive.

Designate Teams. The theme for this Hunt is Birthday Picnic. Name your teams accordingly. If there are no teams (just individual players) you can skip this. Distribute the first clue to the players or teams. You can deliver the first clue in a decorated envelope or in a box with a few prizes. Or you can read them the first clue.

Tell them to begin. Keep an eye on how each player or team is doing and provide help for those who fall behind. Let them know they can ask you for help.

Clue 1

One plus three sums up its legs

A real good place to eat some eggs

Under its top you'll find your clue

Stuck under with a bit of glue
